MAPI/EWS ADD-ON | OPTIONAL

DESCRIPTION

MAPI provides users with native Microsoft Outlook synchronization and functionality at the server level. Available for Outlook 2016 and above, MAPI offers standard functionality such as syncing emails, calendars, contacts, tasks and notes.

EWS seamlessly syncs SmarterMail messages, contacts, calendars and tasks to third-party email clients, including Apple Mail for MacOS and eM Client for Windows. EWS allows for fast communication between an email client and the mail server.

PRICING

250 Mailboxes: 50 €

500 Mailboxes: 65 €

1 000 Mailboxes: 95 €

2 000 Mailboxes: 115 €

Unlimited Mailboxes: 135 €
